

5

A blue line drawing of a building facade. It consists of four vertical columns and several horizontal rows. The first column on the left has a diagonal line sloping downwards from the second row to the third row. The second column has a solid vertical line. The third column has a diagonal line sloping upwards from the second row to the top row. The fourth column has a diagonal line sloping downwards from the third row to the fourth row. The drawing is composed of blue lines on a white background.
